Dear Traffic Safety Advocate,

The New York State Association of Traffic Safety Boards is a not-for-profit organization bringing together like minded groups and individuals pursuing solutions to reduce deaths and injuries due to highway related incidents.

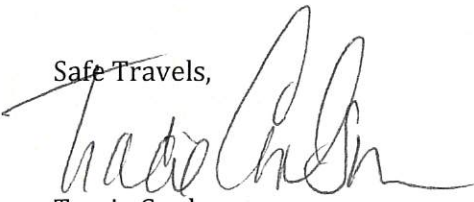

In the past year our organization has participated in, promoted, and organized, many successful programs and events such as Child Passenger Safety, Bicycle and Pedestrian safety and motorcycle safety. We are also working with our young and senior drivers as well as our returning veterans.

Our focus is member driven and developed. Many of our ideas come from our members and are shared with all. The NYSATSB works together to bring these resources to all areas of our state, through local traffic safety boards and advocates like you. We partner with the NYS Sheriff's Association, NYS Chiefs of Police, NYS Police, NYS STOP-DWI Association and the Governor's Traffic Safety Committee to name just a few of our members who work together in bringing highway safety professionals together at the annual New York Highway Safety Conference to share promote, educate and network on highway safety initiatives.

Your involvement has an effect not only on your local area, but statewide. Please take time to renew or sign on for your 2019 membership 10/1/18-9/30/19. Visit our new website address www.nysatsb.net for a list of our current members, all who have found that our organization shapes and tracks traffic safety trends prior to them becoming mainstream, giving them an advantage in the marketplace.

Please join us by completing the enclosed membership form and returning by March 31, 2019.

Safe Travels,

Tracie Coulson
President
